Dear Mike:

I am writing to enclose copy for the placards for opening day in Newark. I know you will lay them out nicely, but the things I have enlarged I think are important. However use your own judgement.

I decided to put all the games on the same card, as they are so close together. I am sure I have not forgotten anything. I do not feel there is any room for cuts. If there is I would like to have Day or Pearson or both. Do you have a cut of them?

Please send the following cards to the following people.

50-100 cards to Henry Moore 41 Auburn St.
Patterson N.J.

100 to Dory Larrimore 228 N. Willow St
Trenton N. J.

50 to Jimmie Tate 443 Jackson Ave.

100 to Pompey Office 7

Jersey City N.J.

500 to me here.

Saved these to Pipe Green 13 2 w marks 50

Please put the passes in with all of them, even the ones you send me here. Charge 85 cents with the passes.

I have no office girl now, so I will have to do everything, and I haven't time to be dating the passes. Make all the passes good for any one of the three games, either game

Please pay express charges on all of the cards, and add to the bill.

Very Turly Yours
